A Bi-Annual News Letter

January 2026 | Issue 1

Dr. K. Chitra
Principal

Warm greetings to all members of the SRCW family—students, faculty, parents, alumni, partners, and well-wishers!

As we step into a new year filled with hope and promise, it is a moment to reflect on our journey and envision the path ahead. The year 2025 marked significant milestones for our institution—academic excellence, impactful research contributions, remarkable achievements in sports and cultural activities, and meaningful social outreach initiatives. Each accomplishment stands as a testament to the dedication, perseverance, and teamwork of our vibrant academic community.

Education today is rapidly transforming, influenced by global opportunities, emerging technologies, and the demand for ethical, skilled, and emotionally intelligent leaders. At SRCW, we are committed to preparing our students to thrive in this evolving landscape by nurturing innovation, creativity, research-driven learning, and values-based education. Our focus for 2026 is to strengthen interdisciplinary learning, enhance student support systems, and expand international and industry collaborations to ensure global readiness.

Let us begin this year with renewed determination to pursue excellence with humility, discipline, and compassion. I encourage every student to dream fearlessly, work purposefully, and contribute meaningfully to society. Together, let us continue to build an institution that inspires transformation and empowers every learner to become a beacon of change.

Wishing you all a productive, joyful, and prosperous 2026.

Thank you!

ACCOLADES

NSS - Appreciation Award
